About The Event

YSB's annual clay shooting competition, On the Field, will be held at Shenecoy Sportsmen in Huntingdon, Pa. The day begins with the always popular practice session, followed by a hearty lunch, and then a 12:30pm shotgun start. The evening concludes with hors d'oeuvres, a silent auction and raffle games, followed by awards and the banquet. Awards are presented to team champion, lady champion, and individuals. Banquet tickets and other sponsorship opportunities are available.

About YSB

The Youth Service Bureau (YSB) exists to ensure that children, youth, and families have every opportunity to reach their full potential.

How We Fulfill This Mission

Prevention Programming

YSB's prevention programs strive to help kids fulfill their potential by preparing them for challenges they are likely to face. We tackle issues such as making good choices, treating others with kindness, and establishing healthy relationships. We continuously assess community needs and implement evidence-based programs to meet those needs so that kids can learn to make good decisions throughout their lives.

- Evidence-Based Support Groups In Every School
- Big Brothers Big Sisters
- Youth Centers in Bellefonte and Snow Shoe
- Street Outreach Programs around Centre County

Family Services

YSB offers vital resources for kids and families who need help developing a safe, healthy, family environment. We teach parenting skills, assess children's developmental skills, and help parents cope with stress. We bring extended families together and encourage them to make decisions benefitting a child in crisis. When a child is separated from the family, we work to resolve issues so the child can safely return home or gain a permanent home with other loving adults.

- Parenting Education Program
- Family Group Decision Making
- Reunification
- Declutter

Residential Homes

YSB residential programs provide housing options for youth ages 12-21 who lack a safe family residence. Our residential options range from a short-term shelter for homeless or runaway youth to long-term group homes and independent living apartments that support older youth as they transition to self-sufficiency.

- Burrowes Street Youth Haven
- Stormbreak Girls Group Home
- Independent Living Program
