OUR STORY

Although YSB's basic mission—helping children and youth—has remained the same for five decades, our services have evolved and grown. Our staff members and volunteers continually assess needs among local youth and look for creative, evidence-based ways of meeting those needs. Over the years, thanks to community support, YSB has helped hundreds of thousands of local children and families turn the page to new chapters of safety, understanding, responsibility, and much more. Each year, dedicated staff members and volunteers touch the lives of more than 15,000 youth and family members through an array of prevention programs, family services, and residential homes.

All YSB fundraising events promote a friendly atmosphere and camaraderie between new and old friends with the ambition of empowering children. These events raise funds needed to maintain the array of programs and services of the YSB. The YSB is a non-profit human service agency that has been serving children, youth, and families of Centre County and surrounding counties since 1968.

YSB Special Events are held rain or shine. Because these are charitable events, no refunds will be made if it becomes impossible to complete the event due to adverse weather or circumstances beyond the event committee's control.

The office registration and financial information of the Centre County Youth Service Bureau may be obtained from the Pennsylvania Department of State by calling toll-free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.
