About the Youth Service Bureau

The Youth Service Bureau exists to ensure children, youth, and families have every opportunity to reach their full potential. We fulfill this mission by providing an array of prevention programs, like Big Brothers Big Sisters, family services, and residential homes. Each year we touch the lives of more than 15,000 youth and family members. Through these services kids find connections with caring adults and opportunities to overcome adversity.

While YSB has maximized funding opportunities at the local, state and national level, approximately 16% of this year's budget must be raised through private donor dollars. *On The Fly* is one of the ways we meet that need

Event Description

The Youth Service Bureau will celebrate the 25th anniversary of *On The Fly* by hosting a Fun Day of Fishing. Wayne Harpster and his family host the event on their private waters on the premiere Spruce Creek. This socially-distanced event will be split into two sessions, morning (7:30am Start) and afternoon (12:45pm Start). Each 4-person team will enjoy 5 hours of fishing and two meals during their session. The morning session will receive a light breakfast and lunch and the afternoon session will have lunch and light dinner. We will not be scoring this year's event so there will be no awards or banquet after fishing concludes.

COVID Safety Procedures

The Youth Service Bureau will be adhering to CDC guidelines for events/gatherings. We are asking all participants to practice social distancing and stay 6 feet apart. Masks must be worn at all times unless fishing or eating.

The Youth Service Bureau is a private not-for-profit organization that has been strengthening children and families since 1968. Through an extensive array of programs working with parents of newborns up through older teens moving out on their own, YSB works to keep kids safe and give every child the opportunity to reach his or her potential.

All proceeds benefit the Centre County Youth Service Bureau. Any contributions will be greatly appreciated. The official registration and financial information of the Centre County Youth Service Bureau may be obtained from the Pennsylvania Department of State by calling toll-free, within Pennsylvania 1-800-732-0999. Registration does not imply endorsement. Tax exempt under section 501(c)(3) of the Internal Revenue Code. The committee reserves the right to change the format of the event without prior notice to the participants.
